We need someone to write articles for community and school newspapers!!

WV Theater Competition

Mr. Walker has cast the competition piece to be produced at the Huntington WV Theater Conference Nov. 3-5 and at the Landmark Nov. 11 and 12. The cast already in rehearsal consists of Anthony Vanella, Adrienne Lohr, Adam Tanner, Bridgitte Facemire, Jacob Duchaine, and Greg Ramsey. Tech crew so far is Kyle Allen, Nic Casto, and Robert Cutlip. Mr. Walker is working on a schedule and expressed his feeling to the group that actors and tech crew who do not call him in advance when they cannot make a rehearsal will be considered to be uninterested and their part will be recast. Emergencies are different. Commitment to attending all rehearsals and performances is critical for an award winning performance. Parents and participants will be asked to sign a paper promising this commitment.

WV Film Festival-will be held at Landmark Friday, Sept. 30 @ 6 p.m. and Sat. Oct. 1 beginning at noon. Come and volunteer to work and see movies free.

*******Meeting Times******* The regular YTP meeting will be the 2nd Monday of the month at 4 p.m. Rehearsals for the WVTC piece are Mondays and Wednesdays at 4-6 p.m.
Next Meeting: Monday October 10 @ 4 p.m. Landmark Studio
Facilitator : Robert Cutlip Recorder : Wes Carpenter

Future Productions

A Christmas Carol- A schedule will be developed. Performance is planned for December 17 and some community performances. Parents will be needed to help with costuming when we get closer to the performance.

War of the Worlds-is on hold. The group voted to wait on this show until this winter. We may be doing this production as a radio play without a public performance. The group was interested in the possibility of having some rehearsals at the school and riding activity buses home during winter months. We will investigate the possibilities with school administrators.

****YTP Policies-**

The group considered setting policies which will hold individuals accountable and to avoid future problems. 1.The group decided that they liked the “3 times and you are out” rule. 2.They felt that people should behave at meetings and events in a way that does not reflect badly on YTP. 3.They also felt that misbehavior at meetings and events is disruptive and therefore, people who cause disturbances during meetings and events should be asked to leave the meeting. 4. After 3 such occurrences the person should be suspended from participating in YTP events.

REFLECTION Flipchart COMMENTS: So far in YTP we have learned: “how to act and be friendly,” “how to be funny,” “administration,” “how to cooperate with others,” “how to work the lights,” “how to be good at acting,” “how to stay put in my seat without squirming and to learn my lines,” “how to impress people,” “how to make parts *my own*,” “greater leadership skills and have become more responsible,” “speak up and don’t turn your back on the crowd.”
